www.warwickacd.bm

Dear Readers,

Welcome to our 2007 Yearbook!

I have to confess that I've become an addict, in spite of the fact that I have to see myself getting older each year. Coming from The United Kingdom, where the attitude to such publications is rather 'staid' or old-fashioned, I did wonder what all the fuss was about when I arrived here. In the UK, not many schools routinely publish such books, and the majority of them don't have 'Graduation' ceremonies either. Technically, you 'graduate' in the UK when you obtain a degree at university and leaving school is often something of an anti-climax. I do believe that, in recent years, the youngsters themselves have started to make sure they mark the occasion.

But, in my stay at Warwick Academy, I have had at least one of my own youngsters in the Yearbook annually and I also find myself reaching for past copies to remind myself of past students and events. They do contain significant memories. I've become as eager as everyone else to get my copy and I thank Cheri Hunter, of our Development Office, deeply for all the hard work she has put into making our book such a quality publication.

Our graduating Year Group, Year 13, will doubtless value it immensely. For the last four years they have laboured over challenging external examinations, especially as they have been only the second cohort to attempt the International Baccalaureate. This edition is a landmark for them and a special reminder of both hard work and, I trust, happy memories of their school. Good luck to them, as they leave us and treasure this volume alongside all others. They and yourselves, as part of the Warwick Academy 'family,' are contributors to its unique history.

Enjoy !

Robert Lennox
Headteacher

The position of Head of Primary at Warwick Academy brings with it many rewards. Working in a school which offers its students an education from 5-18 affords one the opportunity to follow a young person's progress from primary one to the sixth form. Watching a young person grow emotionally, socially and academically is very exciting and a reward in itself.

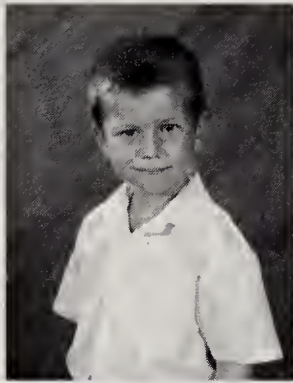

Even more than that, is the realization that the metamorphosis that takes place over the years from being an eager little five year old to a confident young adult, can be partly attributed to the effort and dedication of the staff and the fact that we, as a school, pride ourselves on being a family. We have all worked together and played our part in nurturing these children on their journey.

To those of you graduating this year, we wish you well in your future endeavours. I am sure that you will look back on your days at Warwick Academy with fondness. To those of you who are still on the journey, we look forward to recognizing successes still to come. In the meantime, make every effort to make the most of all the opportunities afforded to you at Warwick Academy. Enjoy this yearbook and, beyond that, enjoy reminiscing as you turn the pages in future years.

when your child is ready for college, will the funds be?

Education is the best policy.

Your child dreams of becoming a rock star or a starter for the Lakers. You're thinking more along the lines of a brain surgeon or a computer programmer. Either way, a BF&M Educational Savings Policy is where dreams begin to become achievable. A BF&M Educational Savings Policy gives you both reliable yields and peace of mind.

It's never too early to get started.

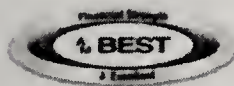

The earlier you start, the more time the money you invest will have to grow and compound.

To get started, simply call 295-5566 or visit us online at bfm.bm.

A BF&M Educational Savings Policy is simple to set up. You can even have the premiums deducted automatically from your checking account. And you can get started with deposits of as little as \$50 a month. Your BF&M Life Insurance agent will be happy to help you fill out the forms to get started.

Dear Readers,

It gives me a lot of pleasure and pride to write a letter for the 2007 Yearbook. Our first International Baccalaureate students have graduated and I am receiving a barrage of emails telling me how prepared they feel for the rigours of university life as a result of their I.B. studies. At present we have 98 students in this programme in Years 12 and 13 and as I write this the Year 11 students are presenting their subject choices in preparation for September.

Although this is only January many of the Year 13 students have already received offers from universities. They have a few months now of hard work, stress, Mock and I.B. exams not to mention scholarships to apply for. It makes me glad I am no longer a student! It has been a pleasure to work with these students this year and I am indebted to the Year 13 Council who really could run the school. Head students Natasha Butterfield and Nhoj Steede, along with Victoria Borges, Erin Greig, Jasmine Quinn, Sarah West and Monique Richardson are a force to be reckoned with. I would also like to congratulate Jasmine on her Rotary Scholarship for next year.

The Year 12 students, their form tutors and Head of Year Ms German also need to be congratulated for all their hard work so far. The tutors, Mrs Green, Ms Dempster and Ms Waltham, and Ms German come to school each day at 7:30a.m. and make sure the students have breakfast before going to their first class at 8:00a.m. I do not think there are many other schools where the staff is so dedicated and so professional in their approach to their work. My thanks go to all the teachers at Warwick Academy

I hope you all enjoy the pages of our Yearbook.

Maggie McCorkell,
Deputy Head Teacher

 Sixth Row (LtoR): Kevin Minors, Kyoto Burchall, Ashley Berry, Dillan Sousa, Chris Trott
 Seventh Row (LtoR): Karen Bennett, Nicole Nelson, Thomas Svensen

The Duke of Edinburgh's Award started in Britain in 1956, and in November 2006, Donte Hunt (National Director) and I represented Bermuda at the Award Forum in Edinburgh (see photo with HRH The Earl of Wessex). The occasion was more than just a conference, as it provided the opportunity to celebrate the 50th anniversary of the Award. This year is a very important one to the Award in Bermuda, as it was started 40 years ago in 1967, one of the oldest established Award programmes outside Britain.

Since I took the first group of Bronze Award students at Warwick Academy in 1990, over 400 students have achieved either Bronze, Silver or Gold awards. Those who have been through the programme in Bermuda are part of a very special 'club' that includes awardees from 120 countries around the world. I find it immensely gratifying to see the determination of so many young people in gaining their Awards. It is always pleasing to see many former participants now doing so well in the community and several will admit to the Duke of Edinburgh's Award experience as not only being a memorable part of their school life but a beneficial experience too.

Andrew Dobson, Award Group leader and National Council Chairman

{Leo Club}

{Making a difference in the community}

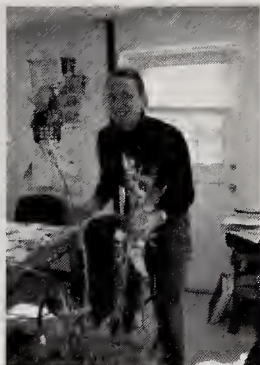

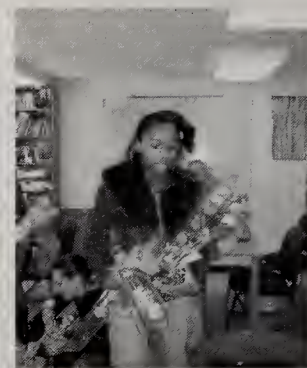

The Leo Club has had a very successful year 2006-2007. It started with a tag day, raising \$250.00 for the Sunshine League, followed by the profitable sale of candy canes. The financial highlight for the Club was the build up to Valentine's Day with 800 deliveries to students and staff. The Leo Club profited enormously due to generous donations of roses from Lindos Family and carnations from Mr. Joe Smith. In addition, the Leo Club finished off the fundraising year with the sponsored walk completed by the Headmaster and Miss Bowdler from Lindos to Lindos and another tag day. What a hugely successful busy year!

MURDER MYSTERY DINNER SHOW

(The Director's Cut)

"The Director's Cut"

Beginning in June 2006, Ms Dempster, Mr. Duffield, and Ms. Bowdler began preparations for Warwick Academy's production of "The Director's Cut".

The Director's Cut is an interactive murder mystery based around a group of actors and actresses putting on their own murder mystery production. When the director is found shot, the detectives take over the scene to solve the mystery with a little help from the audience. During October 5, 6 and 7, the cast, directed by Ms. Dempster and Mr. Duffield and assisted by Camille Bradshaw, put on 3 hilarious performances both indoors and outdoors accompanied by dinner provided by the Country Squire.

Special thanks to our Producer, Ms. Bowdler, Year 12 and 13 volunteers, backstage crew Laura Ruse, Dayla Trott, Erin Vickers and Catherine White, the very talented cast of Alex Baillargeon, Alexis Bean, Winton Brangman, Dante Cooper, Nicole DaPonte, Rajai Denbrook, Hannah Dill, Alistair Hutchings, Harrison Piggot, Shara Trott, Rowan Vickers and Deborah Ward and many others who assisted in making this production the wonderful success it was.

BERMUDA'S FINEST BLEND OF HISTORY AND PARADISE. FAIRMONT. THE NEW SPIRIT OF BERMUDA.

Be dazzled by the picturesque pink-sand beach of The Fairmont Beach Club and the magnificent medley of tropical activities at The Fairmont Southampton with its world-class, par-3 executive golf course and energising Willow Stream Spa. Or, explore the historic elegance and harbourside charm of The Fairmont Hamilton Princess, splendidly set in Hamilton just steps from duty-free and international shopping boutiques. No other hotels in Bermuda provide a more distinctive destination than the famed Fairmont hotels. And to make your experience even more rewarding, guests of both hotels can enjoy full exchange privileges, all accessible by complimentary ferry service.

Congratulations to the Warwick Academy Graduates!

Being House Captain for Morgan this year was excellent! We have won two out of the three sports days, swimming and football/netball/volleyball and came very close to winning our most recent sports day, March Madness. We are also a very strong contender for the up coming sports day, Track and Field. The House Captains of our house are Fiona Nusum and Teniko Eve, and the Vice Captains of our house are Tyler Burgess and Chamie Smith. I think that we are the best House Captains because we all are very athletic and competed in all of the sports days.

My favourite sports day this year was Football/ Netball and Volleyball where Morgan finished first by 50 points. The best thing about being House Captain is the respect that you get from all of the younger students and also helping out Mr. Thorne (House Leader) with signing children up for events. All in all, this year has been very exciting and I hope we can end this year with a bang and win our last sports day.

Teniko Eve

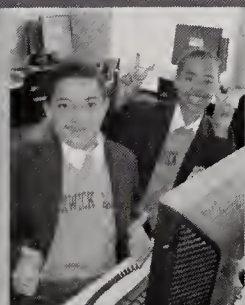

Morgan House

After a big money transfer from rivals Morgan house, I took over as Head of House for Patton and have thoroughly enjoyed my first year in charge. I have found the spirit in the house to be excellent; there is never a shortage of students volunteering their services for the house, whether it is in the pool, on the sports fields or around the school. It's always a joy to walk around during house events and see a sea of green supporters, cheering on their fellow Pattonians.

This year we have been very successful ; taking 1st Place for March madness, 2nd place in the swimming, 2nd place on Sports day, and as I write this we are preparing to go one better in the track and field events. A house is only as successful as the members in it and as Patton we stand as one, so I would like to thank everyone for their participation this year, but I do need to say a special thanks to Ryan Saraiva, Tamki Smith, Ian Bucci and Catherine Wight for their efforts.

Adam Griffiths

Patton House

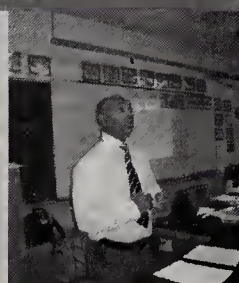

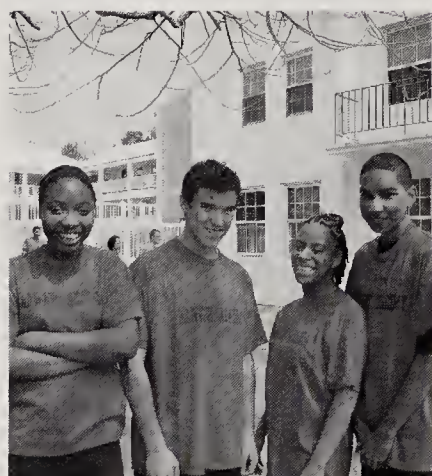

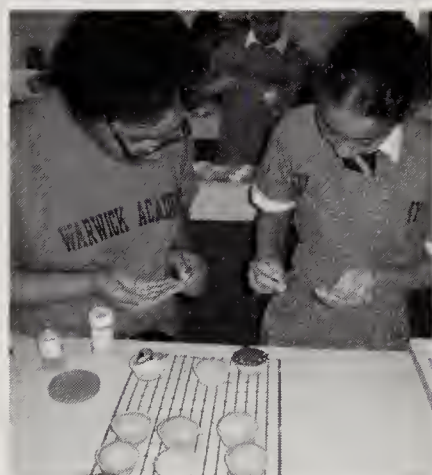

Rhodes is a house full of students willing to participate, and have given their all throughout this year. Everyone has the potential to be the best and we believe we can succeed if we work together as a whole. We also want to thank our head of house, Mr. G. Also, many thanks to all of the vice and house captains; Alexis Bean, Aaron Swan, Scott Nearon and Brittany Pitcher.

In our most recent sports day, our house had excellent participation. Everyone took part in their events and, overall, it was a great job; (especially in the tug of war).

We have made it this far because of the support and participation from everyone in Rhodes, so we would like to thank everyone for their help and doing their best.

Submitted by Brittany Pitcher

Rhodes House

This past year has been a very successful and exciting year. We obtained second place in the swimming competition beating out Patton and Rhodes. It was a close race to the finish but we were just touched out by Morgan house. Although we came second I personally think that we had the best team spirit out of all the houses. The sports day before that was also very successful. We had many participants and great results; once again, we were the house filled with the most spirit! The next event is March Madness. This time we are going into it fully prepared with everyone competing in an event. We have left no free spaces. It is very nice to see that both high school and middle school students are giving 100% effort and achieving some astounding victories.

Many thanks go to the new house captains for doing such a great job. They have definitely raised the spirits of the house and they always provide great encouragement and support to the students. Also we cannot forget Mr. Rothwell and all of the staff involved with Robertson house. Without them, none of this would be possible. Mr. Rothwell has kept us all organized and has prepared us to win!

Year 9 dress for success

There was a time when renewable energy
meant eating a really big breakfast.

OVER THE PAST HUNDRED YEARS a lot of things have changed. Pedal power was once a main form of transportation and the concept of renewable energy hadn't really occurred to anyone. But even back then, BELCO was planning for the future energy needs of Bermuda. That's why today we're developing an energy plan that includes traditional, as well as renewable technologies with a view toward contributing to Bermuda's sustainable development.

www.belco.bm

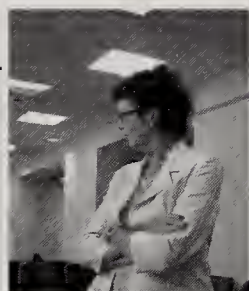

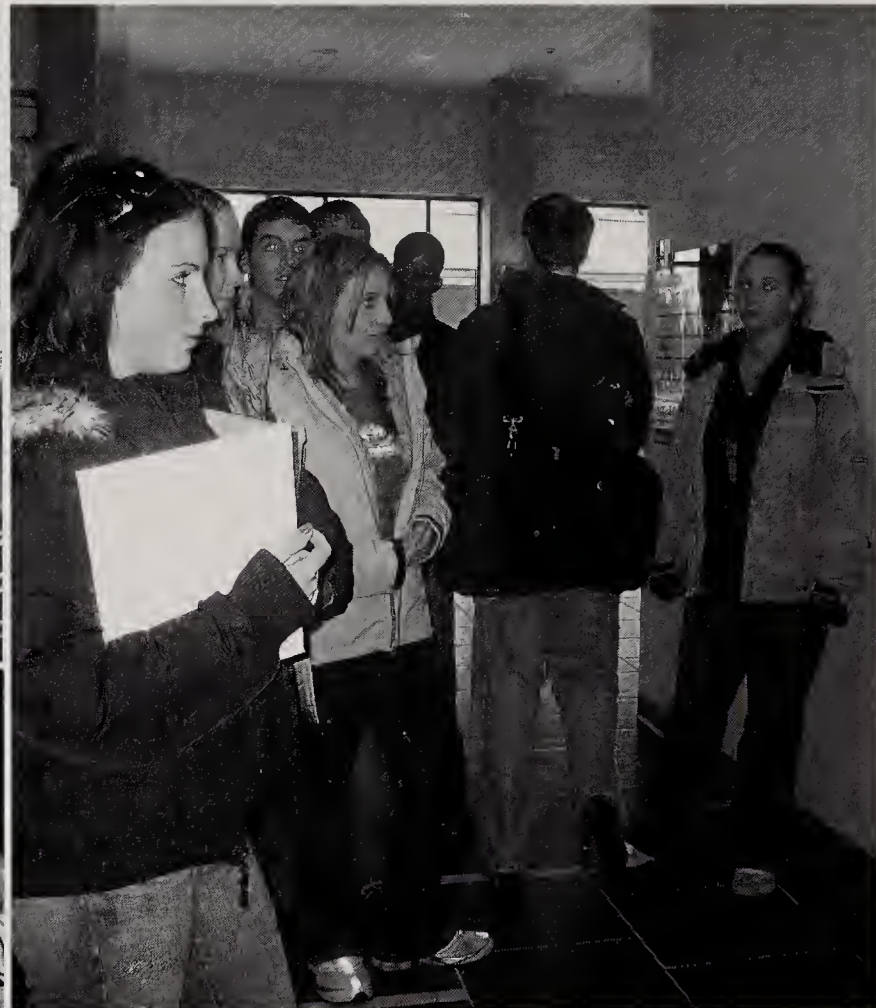

BELCO

Your Partner in Progress

The sun was shining brightly on November 16th which was just as well as 29 students, Miss Shaw and Mr. Horan made their way to BIOS for the start of 3 days of Geography fieldwork. After orientation, the students gathered in the lab for the introductory session. Here the aims of the fieldwork were outlined and students were divided into groups before heading to Shelly Bay on the north shore to collect data. Once there, the girls were certainly less fearful about getting into the sea than the boys! They collected data on wave height and frequency and water depth to help calculate wave energy. After sketching the bay, and a quick break for lunch, we moved to the beach to measure the beach profile and do a sediment size analysis. Following a bumpy bus ride back to BIOS, the students returned to the lab to collate their data before dinner. Early evening entertainment was provided by analyzing the results of the data, before finally being let loose for some free time before lights out. Following a hearty breakfast the next morning, the group made their way by truck to Windsor Beach, by kind permission of the Mid Ocean Club, and set about collecting similar data for a south shore beach. The larger waves here enticed more of the group into the water to play in the surf. On completion we headed back to the lab to write up the day's results, with a short interlude for dinner. The final morning was spent making comparisons of the physical processes affecting north and south shore beaches in Bermuda. All in all, it was a successful and most enjoyable few days.

Year 11 Geography Trip

Preliminary information on the 2007 Canadian University Tour:

To hold a place on this tour a deposit of \$100 must be paid by April 16th, 2007 – cheques payable to Warwick Academy \$600 due by September 17th, 2007
Balance at meeting for all participants and parents – Thursday, October 18th, 2007 – Barber Hall – 5:30p.m.
(Approximate cost - \$1,200 plus spending money)

General Information:

Dates of the trip: October 24th - November 2nd, 2007

Areas visited – Nova Scotia, New Brunswick, Quebec, Ontario

Universities – 19 in total in 7 days, 3 travelling days

Wednesday 24th, October, 2007 - Meet at the Airport at 11:00a.m. – Do not be late

Luggage – One small carryon bag or backpack, plus one case you can carry yourself. All must be labelled clearly with your name and adorned with a blue ribbon – will be supplied. Do not over pack.

Money – Canadian dollars 435.00 should cover even the most enthusiastic gourmet, additional spending money if you intend to shop

Clothes – think layers plus a warm coat, hat, gloves, comfortable shoes – we walk – rain, snow or shine. Bring a notepad, a pen and any work you are given by your teachers to complete before you return to school. Videos and CDs for the long coach rides.

Sixth Form University Tour

Warwick Academy Soccer Tour: Florida 2006

On Saturday, 21st Oct. morning we drove through to Titusville to play the Titusville Titans and, in a very evenly contested game, we secured a 1-1 draw with a Luke Parker header midway through the second half. The defence, consisting of Joshua Malpas, Tyler Balcombe and Callum Smith kept the opposing forwards at bay for much of the game. We were very well received in the town and even got a mention in the local paper. On the way back to Orlando we squeezed in a ride on an airboat through the grasslands of the St. John's River and a bit of alligator spotting.

On Sunday, after a warm-up session at Wet'n'Wild, we headed up to Maitland for a double header where we lost 2-0 to Maitland Fusion and drew 2-2 with Maitland Blizzard with Andrew and Justin Lee scoring our goals. Aidan Thorne came on and made his tour playing debut. On reflection, our warm-up session was perhaps too tiring.

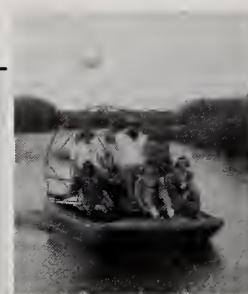

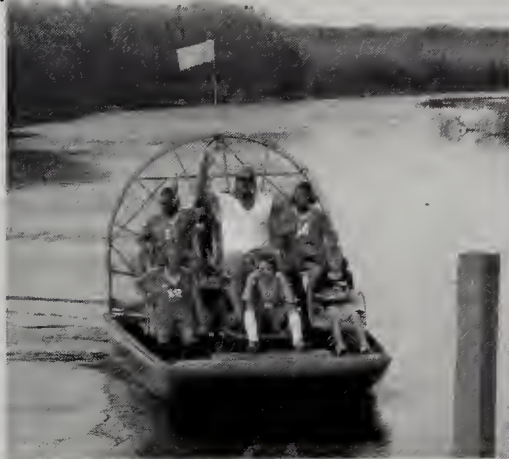

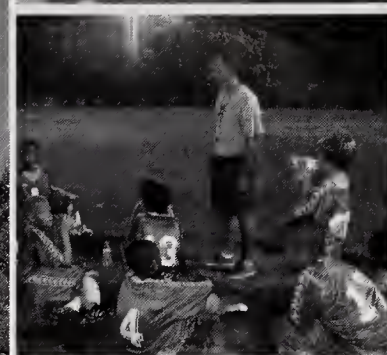

Monday saw the annual Paintball Battle as the group was divided into two opposing armies. After much pre-match hype, Mr. Patchett and Mr. Smith's team came out on top and were able to enjoy the post battle buffet with quiet contentment. However, it must be admitted that Ed DeSilva had the best shot of the day and it prevented Mr. Smith sitting comfortably at dinner that night.

Tuesday's prematch routine was more relaxed as we visited Universal Studios and this proved to be the turning point in the tour as we headed back to Maitland for return fixtures against the Fuzion and the Blizzard. We put on a soccer clinic as we exacted revenge over the Maitland Fuzion to win 6-2. The goals were scored by Tehon Fox, Tyler Balcombe, Kenny Burt, Andrew Lee and Justin Lee (2). Tour rookies, Khari Lespere, Matari Tannock and Kiuno Cann slotted in comfortably to the playing formation and always looked threatening when moving forward.

We completed our set of matches with a well fought 1-0 victory over the Maitland Blizzard. Daeshun Greene inspired the team with a composed game at the back and he always looked dangerous coming forward. Ed DeSilva and Joshua Malpas were also solid in the middle of defence. The winning goal came midway through the second half when Andrew Lee forced the ball over the line after Elijah Hassan had lobbed the goalkeeper.

In all our games we had solid performances from the three goalkeepers: Daniel Fiddick, Benjamin Groves and Dashun Cooper. In the end Coach Thorne could relax and boast of a winning record: 2 wins, 2 draws and 1 loss.

On Wednesday we returned to Universal, but this time to enjoy the rides and roller coasters at Islands of Adventure. In the evening we had a mini golf competition at Pirates Cove. Before we knew it, it was Thursday and time to fly back to Bermuda.

Florida 2006 Soccer Tour

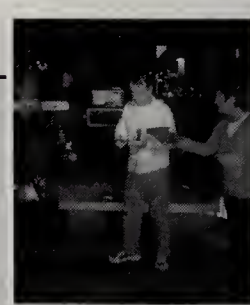

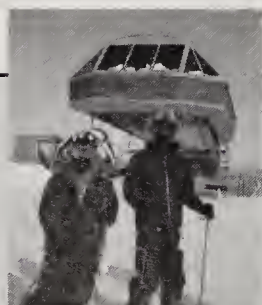

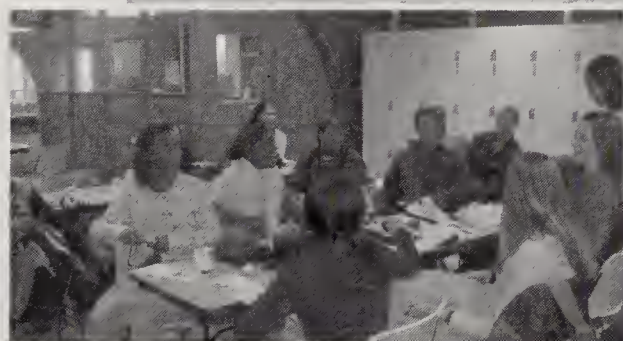

The annual Y11 ski trip took place over the February mid term break.

55 skiers and boarders took to the slopes of Killington, Vermont displaying varying levels of skill and ability.

A major storm dumped 30 inches of snow in 24 hours during our stay which ensured deep powder conditions would complicate matters still further! Record low temperatures, coupled with high winds, turned Thursday into frostbite danger day and Andy Lake [see photo] did his best to preserve his features forever in a permafrost casing.

The featured slope, Outer Limits, brought Mr. White to the edge of his limits and earned him the prized award of "Best Deck of the Week"!

All too soon, the skiing/boarding portion was over and it was time for 9 hours of frenzied shopping in Boston before our flight home.

Secondary Ski Trip to Killington, VT.

On Saturday, 24th March, 2007 the annual Primary Ski Trip departed from Bermuda for their long journey to the snow covered mountains of Colorado. The team of students from P6 and their chaperones were eager to get on the slopes, but first we had the opportunity for some retail therapy in Denver while our bodies acclimatized to the high altitude.

The drive to Winter Park was nothing short of spectacular as the coach took us through the amazing landscape that we would be hurtling down just hours later. Fitted with skis and assigned to groups, we were ready! The weather was the perfect combination of sun and low wind, perfect for long days on the slopes. The ski instructors took their small groups away and, although there was a range of abilities, the kids soon got the hang of it and were fearlessly gliding down the mountain in days. By the time the day was over, everyone was ready for food and play.

A snow flurry one night afforded us with the perfect opportunity for a snow sculpture contest and the local tubing hill was a huge source of amusement. There were plenty of snowball fights, movie nights, tasty food, shopping and non-stop laughter! By the end of the trip, everyone was sad to go as it had been one of the best trips, ever.

Bravest Mountain Man: Russell Conyers.
Best Snow Sculptures: Emma Keane, Jazmyne Watson, Lily Martin and Teresa Lee.
Submitted by: Mr. Rothwell

Primary Ski Trip to Winter Park, CO.

The annual Y10 Washington trip took place over the Easter break.

The first stop was Lancaster, Pennsylvania, touring Amish Country, where students discovered that people can live happily without a cell phone or Ipad! They visited the famous Gettysburg battle field and then headed to Washington.

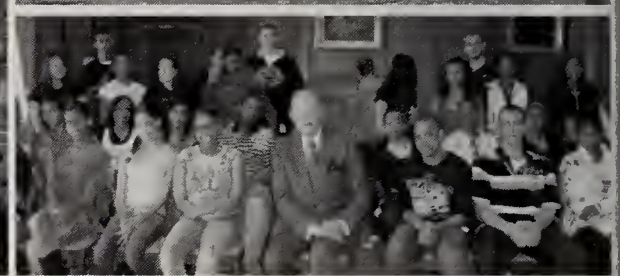

There they saw the Washington Wizards defeat the 76ers and the Boston Red Sox beat the Phillies in an exhibition game. This was a treat for Ms. Grace who celebrated a special birthday while on the trip!

Students enjoyed a play at the Kenndy Centre and a few got vertigo after a day at Kings Dominion.

Mount Vernon, the White House, the Capitol, Lincoln, Jefferson, Vietnam, WWII, Korean monuments were among many of the sites visited as well as a number of the Smithsonian museums. We also had a special tour of the Supreme Court and met Judge Kennedy.

The weather was great, the cherry blossoms at their peak and we managed a little shopping, so a good time was had by all.

Submitted by Ms. Coakley

Y10 Washington Tour

This Easter the Modern Foreign Languages Department successfully completed its second tour of Costa Rica, Central America. The group was led by Mr Watkins, Miss German and Mr Burgess and was comprised of IB and GCSE Spanish students wishing to practise their language skills and develop their cultural awareness of a Spanish speaking country.

The students were looking forward to their adventurous pursuits which included; zip-lining high above the cloud forest, relaxing on Caribbean beaches, riding ATVs on scramble tracks, a morning safari tour of the rainforests by speedboat, giant crocodile tours, handling boa-constrictors, sampling local cuisine, shopping in local markets, a visit to an indigenous local indian workshop and bathing in the natural volcanic hot water springs.

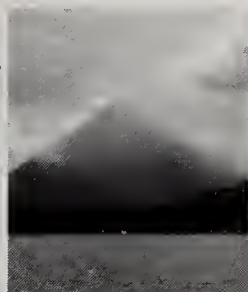

Of special mention, the tour included a visit to a village high school with Warwick Academy students actively participating in a special environmental appreciation project with the local students, supporting the re-habilitation of endangered turtle habitats as well as a cultural and heritage tour of the capital city, San José.

Costa Rica is indeed a beautiful country and we were welcomed with open arms. We were also witness to a staggering display of exotic wildlife and an abundance of nature from monster crocodiles and giant beetles to sloths, monkeys, snakes, toucans, parrots and turtles all in their natural environment. This was an unforgettable experience and the group returned with memories to treasure.

Pura Vida!!

The 2007 students were: Brittany Hassell, Antonia Lee, Kris Trott, Steven Zorn, Keishon Ming, John Adcock, Nicolas Wolffe, Denzel Wright, Ciera Fox, Laura Ruse, Stephanie Wilkinson, Bianca Clay, Perri Furbert, Raphael Knight Packwood, Ffion Caisey, Rajai Denbrook.

AUDIT • TAX • ADVISORY

Dear Readers,

The yearbook you are now holding marks a milestone in your life. Whether this year has marked your first at Warwick Academy as a primary 1 student, or whether you're looking back on what has been your last, with graduation looming ahead, this book signifies another year gone by. These days are the crossroads leading to new paths and new roads leading to the rest of your life.

Throughout this year, the yearbook committee has faced many different obstacles, from meeting the multiple deadlines, taking pictures of the different sports teams, to choosing five different yearbook covers, and then having to make a decision on only one. What proved to be the hardest task of all, was hassling forty-two Year 13 students for their baby photos, reassuring them that in the end they would get them back.

Yet in the end, the yearbook committee worked tirelessly to produce this finished product, that we hope presents you with a range of memories from the past year that will last for years to come.

The yearbook committee would like to take this opportunity to express our sincere gratitude to Mrs. Hunter for all of her endless assistance in putting together this yearbook. Also, thanks go out to the many teachers and students who have contributed photographs. Also at this time, as the yearbook editor, I'd like to thank the committee, as without all of you, this yearbook would definitely not have been completed!

It has been my greatest privilege to put together this yearbook and, hopefully, when you look back at the different photos you will not just remember the times at which they were taken but the memories behind them.

As this school year comes to a close, each one of us has grown and matured but more importantly, we have grown closer as a student body. With all of this said, Warwick Academy is only the stepping stone to the rest of your future, so make every moment better than the last. I hope this yearbook is one that has captured these memories and that you enjoy it to the fullest extent.

Finally, congratulations go out to the year 13 class, for making it through a very difficult two years of hard work. Although each of us is moving onto new challenges and different opportunities we will forever remember our times at Warwick Academy.

I wish all of you the best of luck in your endeavours
Sarah West
Yearbook Editor
